

ST ALBANS SHOWROOM *Now Open*

A second generation family business, quality is at the heart of everything we do at the Chelsea Garden Company. Our products are designed in the UK and incorporate the latest styles and innovations combined with the highest levels of comfort and convenience.

Our mission is to help you bring indoor style outdoors and to enjoy a more laid-back way of living.

Founded with a passion for creating lifestyle-enhancing, beautifully- designed products, our range is both practical and durable.

If you'd like some help and advice in selecting your garden furniture then please contact us and a member of our knowledgeable team will be able to help.
